

HOW “BECOME A TUTOR” WORKS

Objectives:

- Create a tutor listing by;
- Saving information regarding the:
 - o Profile summary
 - o Qualifications
 - o Subjects taught
 - o Fees charged
 - o Additional specifications

Profile Summary

Profile Description is the title of the listing

Teaching style is just for tutor to introduce his style

Click SAVE SUMMARY to save.

Qualifications

This section will show “Your Title”, “Verified Credentials”, “Awaiting Verification” and “+Add More”.

If new user,

Your Title = <select> (dropdown box)

Verified Credentials = None

Awaiting Verification = None

When user clicks “+Add More”, the following will appear

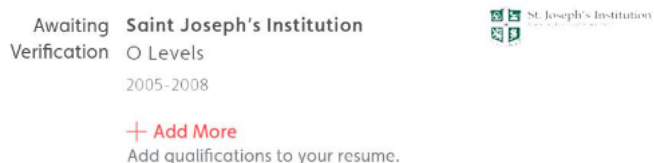

- school/institution
- course title
- start year
- course duration
- awaiting verification
- +Upload Certificates
- <button>ADD</button>

User must fill ALL fields and must upload certificate.

Once certificate file is chosen from user’s desktop, display the file name and hide <button>+Upload Certificate</button>.

When done, click ADD.

After clicking ADD, the new entry will appear beside AWAITING VERIFICATION like this:

The user can do this many times.

Once the user finished adding all his credentials, click SUBMIT RESUME.

The information is sent to Tutify staff for manual verification.

Certificates that have already been verified by our staff will be shown like this:

Subjects and Fees

If user is new, all fields are blank.

Please display `<p>None</p>
<button>+Add Subject</button>`

When user clicks on “Add Subject” button, the following field will appear:

New Subject

This field is autocomplete.

User will fill in the field and click ENTER.

Once user clicks ENTER,

The name of the subject will appear with checkboxes and sliding bar:

Mathematics ☒ PSLE ☐ GCE 'O' Levels ☐ GCE 'A' Levels
\$35SGD \$50SGD
Specify a range of fees for various syllabi and/or age groups.
You may settle on a specific rate after engagement.

User can select checkboxes and slide to preferred fees.

Then, user click “Save Subjects” OR user can add another subject by clicking the +Add subject button again.

Once user is happy, he clicks SAVE SUBJECTS. Then please display this:

Engineering ☒ PSLE ☒ GCE 'O' Levels ☐ GCE 'A' Levels
\$75-90SGD
☐ Int'l Baccalaureate (IB) ☐ Int'l Programme (IP) ☐ Diploma
☐ Degree ☐ Others

Additional Specifications

User will select all the relevant options according to checkboxes provided in the wireframe. Not important yet. Please do the above sections first.
